### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

*Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10*, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

In re  
Application of Maggie Ward for minor children to participate  
in the Eastern Cherokee Fund.

I, Maggie Ward, do solemnly swear that I do not know positively of my own knowledge why the ancestors of minor applicants, ~~####~~ Viola Miles and Edward L. Miles, and adult applicant Otha Davis, nee miles, were not on the rolls of the Cherokees dating 1835 and 1851. I do solemnly swear further that I heard the mother of the father of the above applicants state at different times that she would never let her husband, who who was a full blood Cherokee and who was the grandfather of the above applicants, make application and be enrolled as a Cherokee. She was a white woman and objected to her husband being enrolled. The Waterlizzards, Fosters and Scotts were uncles of the father of the above applicants, and are enrolled and recognized citizens of the Cherokee nation, and the father of the above applicants was a half-breed Cherokee Indian, and before he died he filed an application before the Dawes Commission to the Five Civilized Tribes for enrollment, but died before the time of hearing. After the death of my said husband, the father of the above mentioned applicants, I took the children before the said Dawes Commission at Red Oak, Ind. Ter. and they took the names of the children there and said they would place them on the final rolls when they returned to Muskogee, which I was afterwards informed they did not do. I was a widow and had no money to prosecute their claim, so never did get them on the final rolls.

Madam:-

In reference to application #25708 for minors, to participate in the Eastern Cherokee Fund, kindly state why the names of their ancestors through whom they claim their Cherokee descent, and who were living in 1835 and 1851, do not appear on the rolls of those dates. Give a full history of their Cherokee relations, stating where they lived during the course of their lives, and what part, if any, they took in the Cherokee councils. Give all the other information you possibly can tending to establish their rights to participate in the distribution of this fund.

Were any of their grandparents or ancestors ever held as slaves, and if they were, state whether they were owned by white people or Indians.

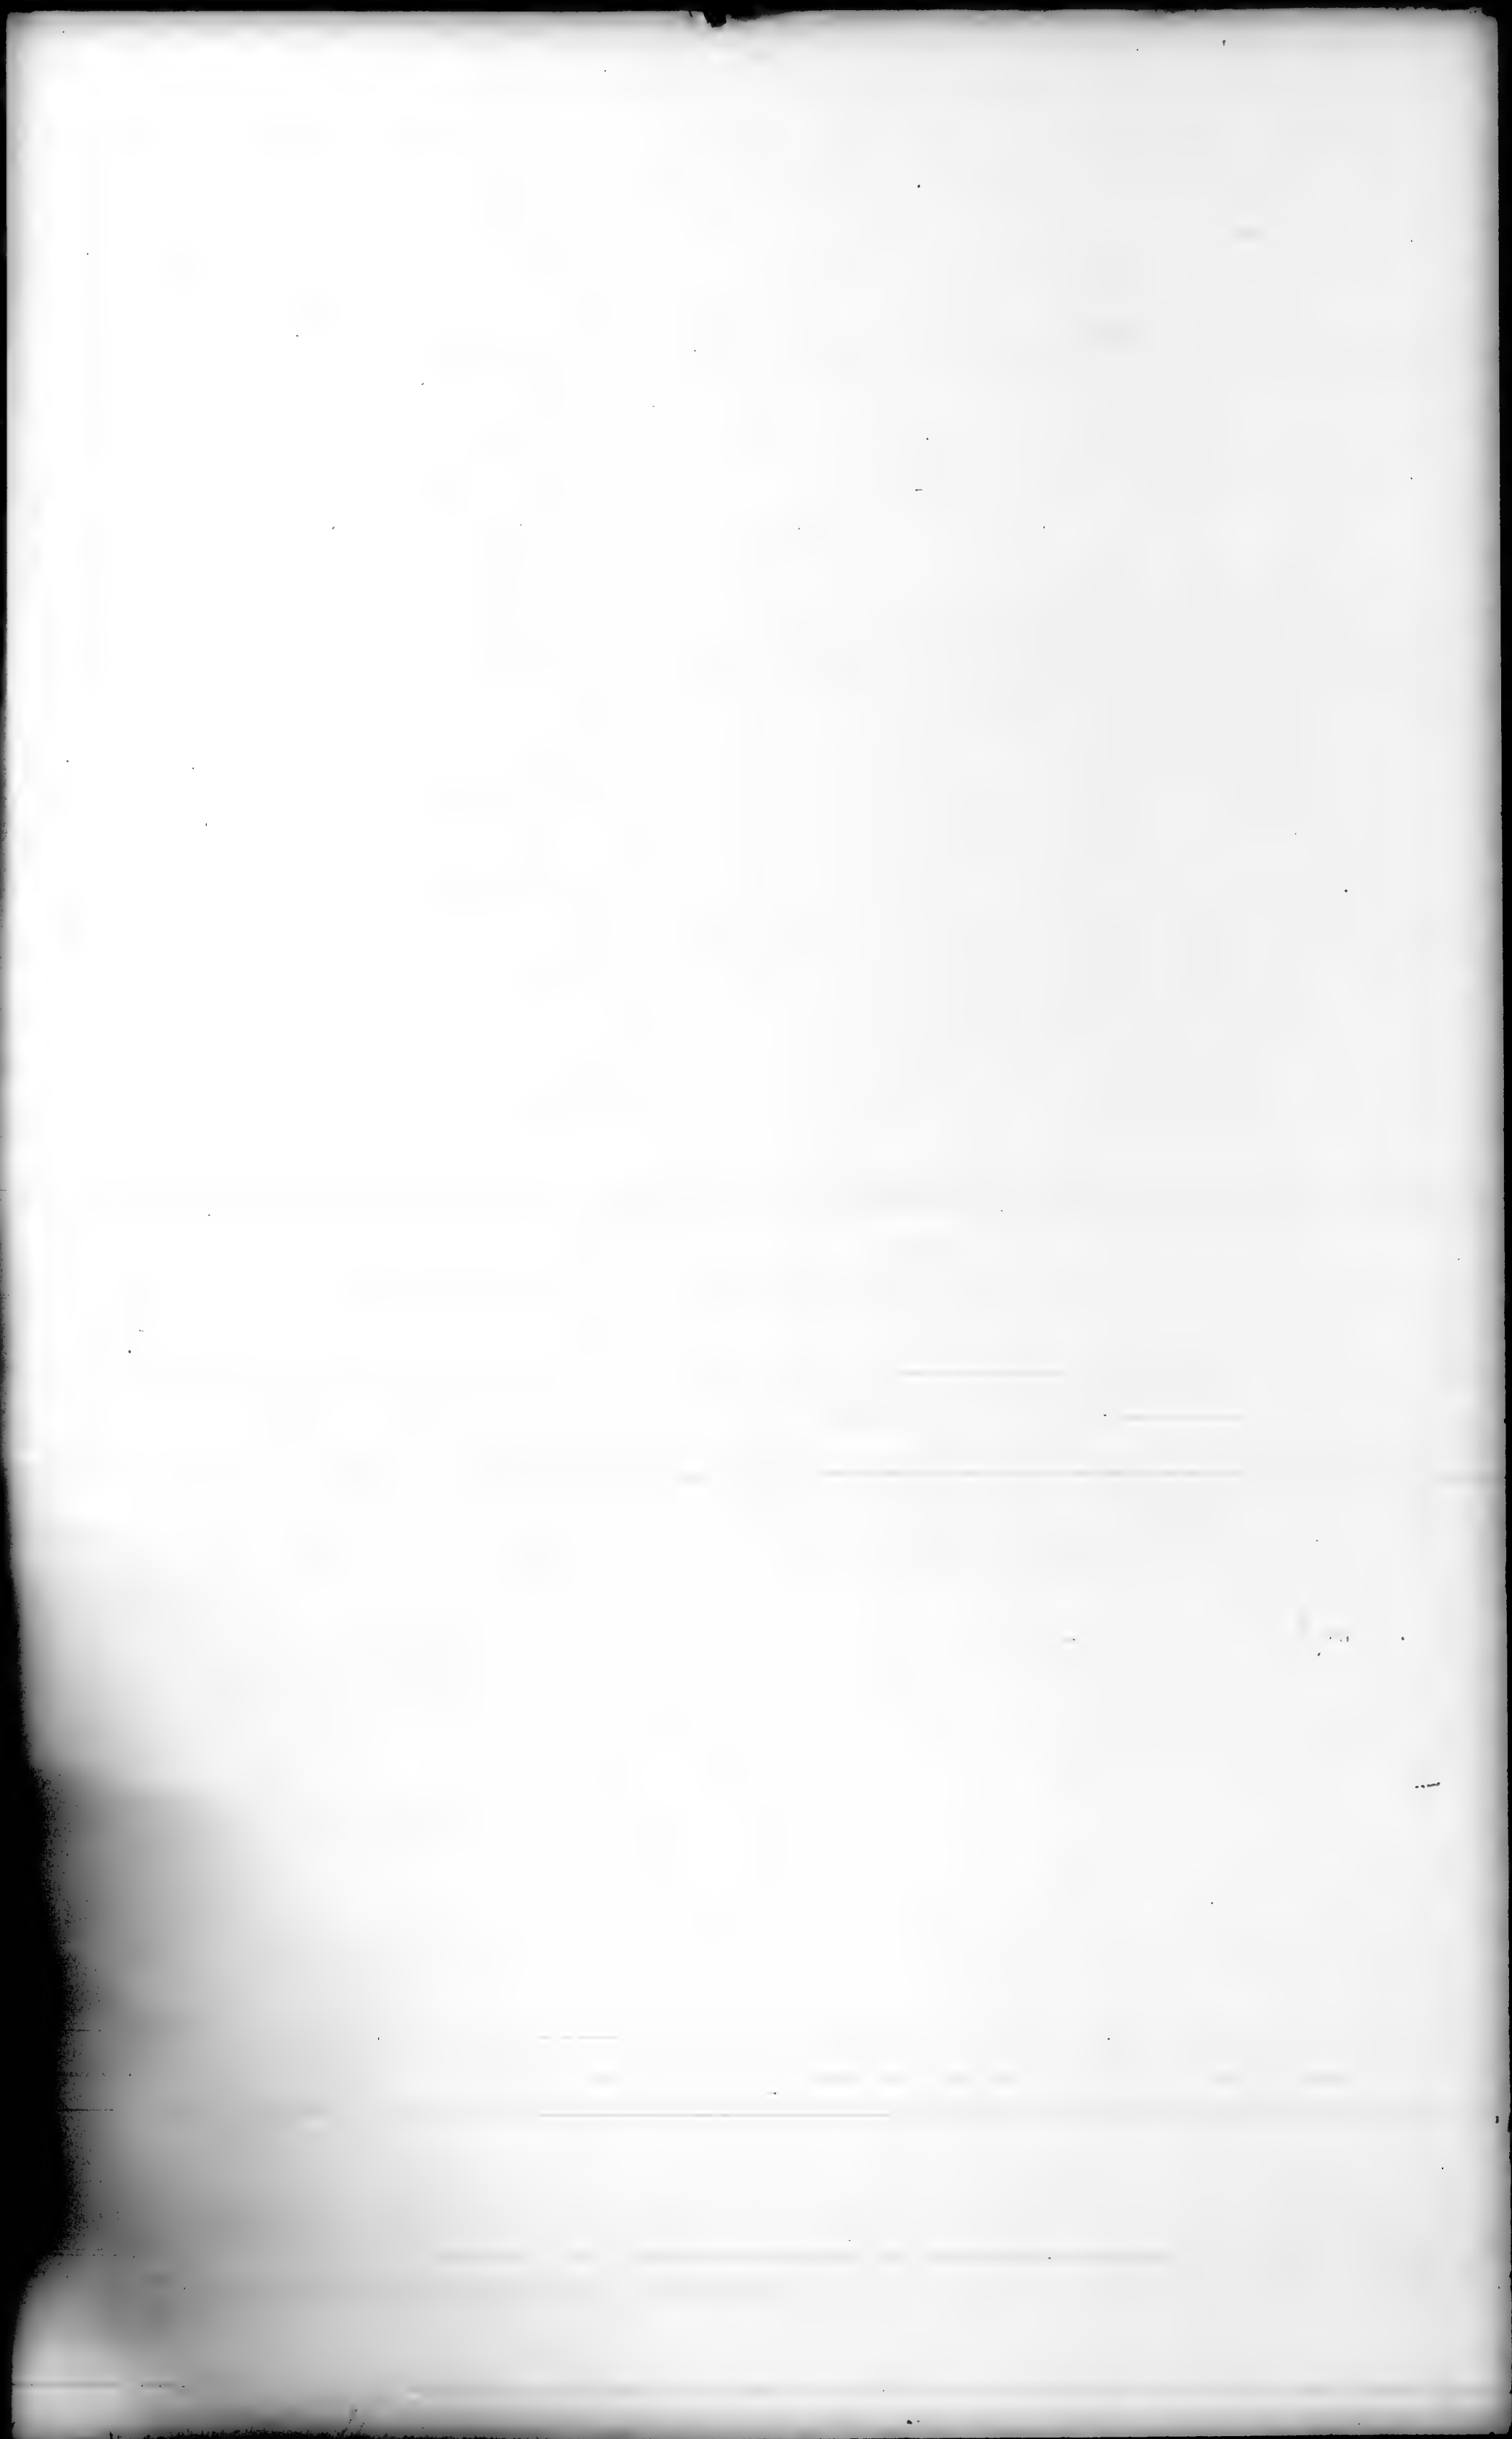

Very respectfully,

Special Commissioner.

he claimed through his father, Alex Miles who was a full-blood

Very respectfully,

FDR/LJC

Special Commissioner.

Do not know when  
Peggie Sheriff was born  
age at death 56 years  
She died June 1893.  
Was born May 1837

She was only about  
15 years old  
I found above dates  
from her Tombstone

I suppose she was  
single in 1851 -

If she is on this roll  
its very likely she is on  
as Peggie Ann or Peggie  
Leak or Seak -

Her Indian name was  
Om-e-walk

her first husband was  
Boeggs - next - Sheriff -  
next - Monds

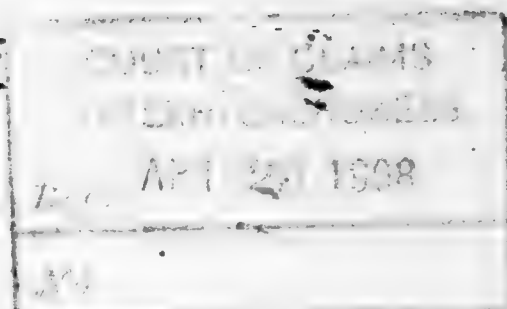

She had a brother Jess Leak  
or Seak - who was killed  
during the war

Do not know if he ever  
came west.

She had a half brother  
John Sevin or Hazy-hat

Madam:-

Your letter of July 9, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

ELC.

Madam:-

Replying to your letter of July 2, 1907, you are advised that you should have included both of your children in your application.

; As the child you failed to include in your application is only one year old, and presumably born after May 28, 1906, he would not be entitled to participate in this fund and it will not be necessary for you to file a supplemental application in his behalf.

Very respectfully,

Special Commissioner.

Madam:-

Relative to your application for participation in the Fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why the names of your ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the rolls of those dates. Please furnish this office with a full history of all your Cherokee relatives, stating where they originally came from, where they lived and died, and what part they took in the Cherokee councils. Give all the information that you can possibly obtain, that will aid in identifying your ancestors on the rolls.

Did any of your ancestors ever receive any Old Settler payment? If so, state when and where. Were either of your parents or any of your grand parents ever held as slaves? If so, state whether they were owned by white people or Indians.

Give all the information you can on the reply, refer to application #25733.

Very respectfully,

Special Commissioner.

Mr. Guian Miller  
Special Examiner

Dear Sir Having received  
your card of the filing  
of minor children  
I would like to inquire  
of you to whether we have  
been allowed our  
proportion with the Eastern  
Shoshone Enrollment  
& if there will be any money  
besides Land & Cash  
of both Land & Money to  
each of us  
yours. Mary J. P. Edgier

App. #25738.

July 19, 1907.

Mary F. P. Colgin,  
Earlham,  
Iowa.

Madam:-

Replying to your letter of July 8, 1907, you are advised that there are no lands to be allotted in connection with the Eastern Cherokee fund.

The applications for participation in this fund have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until all the applications are filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If any further information is required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through Donnahot and Bettie Pledge Pinderster.

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

You have given them your parentage as far back as I have any knowledge of their relating to the E. Cherokees - so you can answer them accordingly. I suppose Uncle ~~Donnahot~~ <sup>Pinderster</sup> can give date of their death I can't. You can tell them he probly can give date.

Sir:-

Relative to your application for participation in the Fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state the source through which you claim your Cherokee descent; that is, whether through your father or mother or both, and give a full history of all your Cherokee ancestors as far back as you are able to go, giving the full Indian and English name of each.

Was either of your parents ever held as a slave? If so, state whether they were owned by white people or Indians. Please state why the names of your ancestors through whom you claim and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Give all the information you possibly can, tending to establish your rights to participate in the distribution of this Fund.

Very respectfully,

Special Commissioner.

Mr. Wm. C. Moss,

Dear Sir:-

Replying to your letter of August 19, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Hon. Guion Miller,  
Special Commissioner Court of Claims,  
Ouray Building,  
Washington, D. C.

Dear Sir:-

Has any time been fixed for hearing of the exceptions  
by the Court of Claims in the Eastern and Emigrant case?

Will you do me the kindness to ascertain whether or not  
in the application of Homer M. Grazier, post office Narcissa, Okla-  
homa, he included his daughter Viola Grazier? She seems to have  
been omitted from the roll and if she has not been included in the  
application, or if she has been included or been admitted, I want  
to make application or file exceptions for her.

Yours very truly,

JSD-FB

James S. Davenport, Esq.,  
Vinita,  
Oklahoma.

Sir:

I am in receipt of your letter of October 4, 1909, making inquiry, first, as to whether the Court of Claims has fixed the time for the hearing of exceptions to my report, and second, as to whether Homer M. Grazier included the name of his daughter, Viola, in his application.

In reply you are advised that the Court in its order of June 10, 1909, directed that all the exceptions to my report should be set down for hearing when the Court convened on the third Monday in October, 1909. No further order has been entered, and I now expect when the Court convenes on that date, the 18th, to present certain propositions to the Court which will in a general way dispose of a large proportion of the exceptions filed. These questions I shall ask the Court to have argued on October 25, 1909.

The Court will, no doubt, when it convenes make some further order as to the final disposition of the exceptions, but I am at this time unable to give you any idea as to what provisions will be made in this order. You will find inclosed some of the questions which I propose to submit to the Court.

#2--JSD

In regard to the matter of Viola Grazier, you are advised that her father did not include her name in his application, probably for the reason that she was not living on May 28, 1906, and would not therefore be entitled to share in the fund under the order of the Court.

Very respectfully,

Special Commissioner.

Sir:

Replying to your letter of November 20, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

You are further advised that children born after May 28, 1906, are not entitled to share in this fund.

Mark L. Swinford, being first duly ~~XXXX~~ sworn, deposes and says:

That I am 53 years of age and live in Cleveland, Bradley Co., Tenn. I claim my Indian descent through my mother and her father. My grandfather went by two names. One of his names was ~~XXXX~~ Swofford Jim Glass which was said to be his Indian name, and the other was Jim Swofford. Don't know how he came to have two names. He died along about 1870 but don't know when he was born. He was in the war of 1812. My mother went by the name of Glass before she was married. My mother nor her father was never on any roll that I know of. My mother's oldest sister was named Nancy Glass. She married an Awls. There was Clementine who never married. Julia Ann was another but I don't know who she married. Elizabeth was another and married Jim Lawson. Jack and Charlie were her two brothers. I don't know where my mother and grandfather were born and raised. My grandfather they said went to the Indians when he was about 6 or 7 years old and stayed with them until he was about 17 years of age. They were the Cherokees and were in N. C. but I don't know what part. My wife is a white woman. I don't know where my brother Jim Swinford is. He used to live in Cleveland but he went to Dalton, Ga. and I haven't heard from him since. I and my mother and her father were always recognized as white.

Dear Sir

Chilly M. Dickson of your  
Miss hands me your letter inquiring as  
to where we got our Indian Kinsman  
from my understanding from my  
Father John R. Dickson it comes from  
my Father's side not from the  
side my mother was known & compared  
white women my Father was compared  
by her one that was acquainted  
with him to be Indian Chief my  
my Father had several fine Chiefs  
Buckskin Beaded Suits of Clothes  
When he died my Father died

march the 23 1880 - My understanding  
 he was deputy chief in Georgia  
 under Chilly McIntosh, & after Chilly  
 McIntosh's death & in 1870 & on up to 1871  
 he made visits regular, & often to  
 Muscogee Indian Territory  
 & Old Pelayo Indian Territory  
 on Business & to see the Indians &  
 had their laws of the nation & was  
 continually in correspondence with  
 the chief of the nation he had at that  
 time several news papers sent him  
 regular from the nation giving him  
 all the news after his death several  
 letters come from the Territory and  
 his papers - we put in his large trunk  
 where his chief's laws of the

of the nation letters & all Business  
 pertaining to her interest in the Territory  
 was in the trunk the time of the  
 fire every thing we had was lost  
 by the fire. it was very hot dry time  
 the day of August 1888 was the  
 date of the fire if I had his papers  
 & Books in the trunk I could give you  
 all the information you want. I can send  
 you sworn statement to this effect  
 by the whole family & all people  
 who lived in the community at the  
 time of the fire, & can furnish you  
 with sworn statements from several  
 himself men who was well acquainted  
 with my father who would state that  
 he was chief of the Cherokee Tribe

The reason he kept all his Indian  
 papers in the trunk & lock on them was  
 to keep them from our mother. My  
 mother did not like for him to speak  
 in his Indian suit & dress, then my  
 mother did not like to claim him  
 with the Indians & did not so he  
 was in K... now until after marriage  
 for some time she said when he  
 visited them was when the trading  
 time came, our mission would be  
 1/2 on I am sure 1/4 & 3/4 from Epith  
 Rooker or Smith. My Mother's  
 mother was smart of any of them  
 were as hell as a slave we  
 do not no of it dont think they  
 were, I think if you dont find Smith

5-

or ~~Roscoe~~ Enrolled - hardly  
likely that you would find our Father  
why our Father did not enroll is more  
than I can say / probably he was not  
aware of the fact at that time I think  
~~our~~ our Indian Blood comes from  
my Father's mother My Father's Indian  
name is Jo. Roscoe his English  
name is John Roscoe I can give  
you some names of Indians My Father  
used to come with in the Territory  
A E boy I know J. T. the Ross family

Joshua Ross being first duly sworn in behalf of Chilly M. Dickin deposes and says:

That I am 75 years of age. I knew John R. Dicken, the father of Chilly. I knew that he was not an Indian. He told me that he used to be a trader on the Creek line there in Ala., but he never said that he was an Indian; he was a trader. He wore Indian costume. Between 1875 and 1880 he came here to Muskogee, dressed in Indian costume. I had a talk with him at that time and he told me that he was a white trader. He didn't say whether or not he had any Indian blood. He said he lived there on the line with them and in trading with them had learned to speak a good of their language. He must have been between 50 and 75 years old at that time. He didn't appear to me as a man with Indian blood. I never knew any of them except John R. I got acquainted with him by reason of being secretary of the Fair here at Muskogee, and what attracted my attention to him was his wearing the Indian costume, feather, etc. He never said anything to me about his ancestors being on the roll.

Dear Sir - Your letter of  
the 20<sup>th</sup> inst asking en-  
quiries about John R. Dickson  
received - In reply to your  
questions I do not know  
what his name was John R.  
but I am satisfied he is  
the old fellow I have  
known for 30 years and  
met him often here in  
Mardi Gras time when  
he always came with a him-  
selfish Southern character -  
I may say that

the man I knew lived out  
some 12 or 14 miles west  
of Mobile - Had a ferry  
there for 30 or more years  
I reckon & I have been  
often invited by him to  
accompany him to the  
games in the Indian Ter-  
ritory where he went  
almost every year -

He invited me often I  
said I could eat me  
nothing - I know his  
son - Bob or Sam and  
see him here occasion-  
ally - They still live out

west of town about where  
the old man lived and  
have stacks of piney woods  
and do a logging business  
I think - The old man was  
always flush - seem to have  
plenty of money -

He gave me a photo of him-  
self in Indian Costume -  
I wish I could lay my  
hands on it you should  
have it - Yes he was a  
white man but had the  
"Monuments & bronze" on  
him -

He and all he was a close  
liberal man with fea-  
tures prominent cheek  
bones high nose large  
and a very fine imita-  
-tive specimen of a gu-  
inee Savage -

Well this was the man I  
knew but if I ever meet  
one of his boys here again  
I will want to know a  
great many things about  
him. I hope my inter-  
est in him will account for  
my a friend will det-

March 24, 1908.

Hampton Dickin,  
Prushy, Miss.

Sir:-

Relative to your application for participation in the Fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and ancestors through whom you claim your Cherokee descent, do not appear on the rolls of 1835 and 1851.

Do you claim any Cherokee descent whatever through your mother? If so, set up the name. Were you ever held as a slave? Was your father ever so held? If so, state whether you or he was owned by white people or Indians.

Kindly give a full history of your ancestors through whom you claim your Cherokee descent and furnish us with the name of your grandmother on your father's side.

From the information given in your application we are unable to connect you with any Cherokees on the roll. Kindly reply promptly and refer to application #28421 with #25837.

Very respectfully,

Special Commissioner.

Dear Sir

Yours of March 24 just recd & will say  
in regard to application 1842 + 18437 I do not  
know my name does not appear on the  
roll of 1845. My mother was Sherman  
my father was John R. Decker my father  
married twice the first wife was  
Sherman second wife was Common.  
I have no recd of the Shermans but not  
know if is an Indian in them or not. I  
have never tried to find out never have  
been held as a slave. My father never  
was held as a slave or as a slave.  
We claim our Indian blood on my father's  
side & comes from the Smith or Roskey  
and blood. Mother on father's side was  
Smith & who she was before marriage to  
Smith is more than I can tell you all

But those & probably to one house  
 it is probably for Cook & we had one  
 in the information visited, a house  
 & house half goods had not burned - we lost our  
 home by fire August 23 1886 & all the things  
 in house was lost nothing saved - at the  
 time of the fire only one brother was  
 on the farm & my uncle & nephew & old body  
 couldn't do much of any thing as the fire had  
 such a headway my father had large  
 trunk & lost all his separate boxes of the  
 nation & his chiefs cuts in this trunk  
 we had newspapers taken from us & some  
 of the papers of the business from  
 one of the sons & sons then to us & some  
 of the papers & some things & we were  
 at that time even thought of making our  
 my uncle & to his business thought probably  
 he was on our & to see his kin folks. I was  
 alone & a probably 1/2 Indian - the Cherokee  
 & have been raised to believe this & have

can not believe it when Mr.  
 Foster talked Indian & dress in Indian  
 clothes & visited them from year to year.  
 sometimes he would be absent from home  
 4 or 5 days out in Muskogee & Choctaw  
 he & 6 or 7 up to 8 or 9 made more visits  
 than can be given, & got more money  
 from them long before this it is now all  
 known that Mr. Foster & his wife is  
 in the Indian & can get any sort of  
 information to the effect that all good  
 reliable business men & mobile Ala  
 & Canton Miss. 1862 but people not  
 one nothin but a lone no doubt what  
 would be given that he were, good  
 money & time in the Choctaw side, taking  
 this will be some evidence in the Indian  
 my claim & if any time else, can be proved  
 at the no one will be able to give you all the information  
 Love yours very truly  
 Hampton Dec.

Nowata, Okla.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state whether or not you were held as a slave, and if so held, state whether you were owned by white people or Indians.

You state in your application that your name appears on the rolls of 1835 and 1846. There was not any roll made in 1846, and your name does not appear on the roll of 1835 as Jones or Hill. Under what name do you claim to have been enrolled?

Why does not your name and that of your mother appear on the rolls of 1851? Kindly give a full history of your Cherokee ancestors, stating where they lived and died, and all the other information you possibly can tending to establish your rights to participate in this fund.

Please reply promptly and refer to application #25840 with #25839.

Very respectfully,

Special Commissioner.

By

Chief Clerk.

No. 25840-25859.

Minerva Hill, being duly sworn, deposes and says:

My name is Minerva Hill. I am about 78 years old as near as I can tell. I have been living here about 38 years. I came from Tennessee to Kansas and from there here. I claim Cherokee Indian blood. I was <sup>not</sup> enrolled by the Dawes Commission. I did not get any land. I can't tell you why I was not enrolled. I do not remember. I never got any bread money, strip money, or grass money. I lived in Tennessee in 1851. I never got any money from the Government. I claim through both father and mother. My mother was Annie Jones. I left her in Tennessee and suppose she is dead. She was born and raised in the old nation, in South Carolina. I do not know when she went to Tennessee. I don't know whether she was enrolled in 1851. I don't know whether she was enrolled in 1855. I cannot assign any reason for her not being enrolled. It is claimed Alfred Cornwell was my father, or Alfred Cornell. I left him in Tennessee and don't know whether he is dead. I do not know where he was born. I don't know whether he was ever enrolled. I cannot give any reason for his not being enrolled. They never came out here that I know of. My father had a half-brother and he would not associate with my father because he was so much darker. I do not know whether my father and mother were married except Indian fashion. We were never slaves, neither me, my mother or father. I do not know if we were Old Settlers. I have a sister living at Oswego, Kansas. My brother is Henry Jones, in Kentucky the last I know of him. My sister was Martha Ann Jones before marriage and Smith after. Dick Jones was my uncle and he lived on Martin's Creek in Tennessee, and Marilda Jones was my aunt. Nicy Jones was my grandmother. My mother claimed through her father I think. Jonathan Jones was my grandfather. I am recognized as being colored. My daughter is Martha Ann Robinson. ~~XXXXXXXXXX~~
